Greetings Hector

Due to COVID-19 all of our trailers are being dedicated to the emergency RAP shelters for our unhoused neighbors until April 20th. After April 20th service will return back to your CD

With best regards,

Hi Bladimir,

Do you know where in the City they are being sent? We have Bellevue and Shatto opening up as emergency shelters soon and neither of those locations have showers so we would like for our Hygiene Unit to be prioritized to be sent to those locations within CD 13. Please let me know your thoughts.

Best,

Thanks, Blad. We just want to ensure that they do stay in our district, since our shelters (Bellevue and Shatto) don't have showers. Can you confirm?
